

INSTRUCTION MANUAL

. BOUTIQUE CAMPING .

1.

Unpack and lay flat in the rear half of the tent. Connect the loop under the centre to secure in position.

2.

Hook the bottom webbing to the rings on the groundsheet.

3.

Loop and toggle at the top of the wall.

4.

Continue this around the tent until toggle and all hooks are securely fastened.

5.

Make sure the windows line up as shown.

6.

The inner tent should look like this.

7.

To connect the inner tent to the centre pole, loosen the adjustment on the webbing and hook onto to the loop on the centre pole, which should be 3/4 up the pole.

8.

The inner tent also has both a Mosquito and privacy door which can be zipped open or closed independently.

9.

The inner tent also has two sleeping sections and can be unzipped to make one large section.

10.

This is how the final tent should look.
