# Glamping with Boutique Camping

The Boutique Camping brand was born from a love of camping in Bell Tents at festivals, so we understand how magical and enjoyable it can be. These camping experiences ultimately inspired us to do what we do today! The hire side of Boutique Camping was created to give everyone an opportunity to experience a piece of that magic without having to lift a finger! Hiring with us is hassle free and has been tailored to make sure you get a stylish, enjoyable and comfortable camping experience. Over the years we have dealt with a diverse range of events that we have placed into four categories:

## Private Parties Weddings Corporate Hire Festivals

Whether you're having a wedding, a workshop or a major Boutique Camping area within your festival, we have the tents and the furnishings you'll need. All the hard work will be done for you; we'll come and set everything up the day before your event and come and pack everything away the day after. All you need to do is turn up and enjoy!

### Private Parties

At Boutique Camping we offer a personal service to all of our private events, whether it's a child's party, a 21<sup>st</sup> or a 100<sup>th</sup> birthday, we will work closely with you to make sure all your needs are catered for.

### Weddings

We love weddings! We understand how special this day is for everyone involved and are extremely experienced in providing beautiful mini glamping villages for guests, and a beautiful bridal suite for the happy couple. We can even manage all your guests' bookings directly for you prior to the event.

### Corporate Hire

Our corporate hire offers tents for an array of different uses, whether it is used as a workshop, a chill out area, photoshoot or for film and TV, we can set the tents up ready for your use.

### Festivals

We offer both a dry hire service and a check-in/check-out service. The former is a service where we can set up the tents prior to your arrival and collect subsequent to the event. The check-in/check-out service is a VIP luxury camping experience, which is tailored to your requirements. With this we also offer a 24-hour manned service, security, chill out area and café.

## The Tents

We supply Bell Tents, a traditional 100% cotton canvas tent similar to a yurt or a tipi, with a very classic look. These have a zipped-in ground sheet which can be undone, and the sides can be rolled up to create a nice relaxation area or just enjoy the breeze on a hot day. We supply these in four sizes:

- 4m (13ft) – Sleeps 2/4 people
- 5m (16.5ft) – Sleeps 4/6 people
- 5m (16.5ft) – Chill out area for approx. 10-12
- 7m (22.9ft) – Chill out area for approx. 30
